## Prayer Team Members,

Brooke and I hope you had a blessed Easter. Truly, we have a great Savior! I cannot help but be excited about the sure hope of the cross and resurrection we all communicate. Lord willing Great Commission Baptist Church will quickly join the ranks of those faithfully communicating the gospel message to the world. *Please pray that Christ would quickly plant His church.*

We continue to see God answer your faithful prayers. Our support level continues to climb! We are now 73% supported. *Pray the remaining commitments of \$59,000 (\$1,640 monthly) come quick.* It is wonderful to see God provide.

The development of the on-site team of people continues. We have met twice as a group and plan to meet biweekly until summer. *Pray that this team of people would grow spiritually, numerically, and in diversity. Pray that a listing posted on Craigslist would help grow our on-site team with committed multi-ethnic believers. Please pray that our on-site team would grow to at least thirty adults by August.* We know it is Christ who builds His church but He uses people.

We have a busy month of May. We have deputation meetings in Iowa, Indiana, Illinois, and Michigan. We will be in churches every Sunday of the month. *Pray for safety in our travels, God honoring ministry, and effective communication of our burden for Chicagoland. Also, pray that God might use the month of May to see our support level rise dramatically.* We are looking forward to seeing whom God will raise up to be a part of our team.

There are many aspects to church planting ministry. This summer we have two weeks in which mission teams will be coming to help sow seeds for our church plant. *Pray that our preparation for these teams would be timely and wise. Please also pray that the teams' preparations would be Spirit led and effective. Please specifically pray for good weather on June 13 and July 11; we have outdoor activities planned.* We are also researching possible facilities for our church services. *Would you join us in praying that God would provide the ideal location for a reasonable price? We need a facility in which a church worship service, nursery, and children's church ministry can simultaneously occur.*

Thank you for your time in reading this prayer letter and praying for our ministry. We look forward to heaven when we can rejoice with you and with the people God saved through the ministry of Great Commission Baptist Church. We trust you will see God greatly at work in your life.

Praying to be used by Christ to build His church,

Scott and Brooke Greening
